ALPINE SPRINGS COMMUNITY PARK

Welcome to the 11th season of the Alpine Springs Community Park! If you have never used our two wonderful tennis courts, the fabulous swimming pond, volleyball court, grassy play area with picnic tables or gas barbeques, you have missed a great opportunity to experience our alpine environment. These amenities are well-maintained in our beautiful alpine setting. Season passes, day use passes, and family week passes are a great buy and are available at the District office, Monday through Friday. The park pass fees are as follows: Single User Day Pass - \$ 5; Family Week Pass - \$55; Family Day Use Pass - \$15; Family Season Pass - \$125. A refundable deposit of \$25 per pass card will be charged and returned upon receipt of the card. Only one card will be issued for each Family Season Pass.

A Park Pass Application is attached. Please complete the application in full, including signing the application in the two designated places, and bring it to the District office with your check, payable to ASCWD.

A reservation for groups of more than 10 persons up to 200 persons is required. Groups of more than 200 persons are allowed only with approval of the District General Manager. Group use fees are as follows: 11 to 25 persons - \$35; 26 to 50 persons - \$70; 51 to 75 persons - \$150; 76 to 125 persons - \$225; 126 – 150 persons - \$300. The Flower Walk will be conducted by Michael Graf, author of “Plants of the Tahoe Basin.” Dress for the occasion. Bring hats, water and walking shoes. Of course bring your camera. DISPOSAL OF ASHES AND COALS

The District experienced a dumpster fire on Monday, January 14th. The fire was caused by disposal of “hot” coals into one of the dumpsters at the District office. Please do not dispose of ashes and coals by putting them into your garbage unless you are ABSOLUTELY sure that the ashes and coals are completely out and cool before they are placed into your garbage or the dumpsters located at the District office.

A BIG THANK YOU TO OUR CUSTOMERS

The District’s Operations staff would like to thank the customers who keep the snow cleared from around the fire hydrants in their area. The Fire Department requires that snow be removed from around fire hydrants in the winter time. This assists fire personnel when they are responding to a fire call. Fire personnel do not have to take precious additional time to dig a fire hydrant out before it can be used. The District consumes considerable staff resources each winter performing this function. “It’s great to see that some customers care about the fire protection capability of their utility,” said Buz Bancroft, Operations Supervisor. Again, a big thank you to those customers who cleared the snow away from the fire hydrants in their area.

LOOKING FOR A TENNIS PARTNER

A tennis register board has been installed at the tennis courts. Interested persons can register their interest, ability and availability to facilitate connecting with others who would like to play tennis. By using the register board, people who are interested in playing tennis can become aware of potential tennis partners.
