District Board Elections

Consider Running for the Alpine Springs County Water District Board

In 2022 the District will have three Director seats up for election to serve a four-year term. The Alpine Springs County Water District is governed by a five-member Board of Directors, elected to staggered terms. Elections are held every two years, during even calendar years, November General Elections. Directors are elected at large by the voters within the District boundaries. Only registered voters within District Boundaries are eligible to run for office.

Elections are conducted by the Placer County and registered voters interested in running for office are required to file candidate nomination papers with Placer County. Candidates filing for District Director positions begins July 18, 2022 and closes August 12, 2022.
